Will (Testator) List, 1786-1921

© Ted O. Brooke, 2010

Greene County was created on February 3, 1786 from Washington County, Georgia. The following is a list of all wills recorded in Greene County, Georgia record books from 1786 to 1921. This list is compiled from a search of every page in each book and not from the original indexes which may be faulty.

The information given is (1) the testator's name. In some cases a name is found to be spelled differently within the will and, in those cases, I have shown the spelling used in the signature or as most commonly spelled. (2) the date of probate or recording of the will which indicates the date of death of the testator. In cases where a "d" in parenthesis (d) is shown after the date, that is an instance where there was no date of probate or recording given and this is the date the will was written. In cases where a date is shown in parenthesis, such as (1917), that is a case where there is no date associated with the will and the date of probate is estimated by the compiler. (3) the page number where the will is recorded. The page number shown is the first page the will is found on and it may continue for several successive pages. In some cases two page numbers are shown which indicates the will was recorded twice, perhaps in "common" and "solemn" form or simply by mistake.

These will books are available on microfilm at the Georgia Archives and the original books are found in the Greene County Probate Office in Greensboro, Georgia.

Will Book 1, 1786-1806. This book is labeled "A & B Wills, Inv. & App." on the spine. An inscription on the front flyleaf states "Georgia Greene County. Personally appeared before the undersigned and who on oath say that the within book is a true & correct copy of the original records in the office of the Ordinary of Greene Co., Ga. Wills A – 1786-1795, Wills B – 1796-1806." An original index is in the front of the book on unnumbered pages, followed by miscellaneous estate records including wills recorded on pages 3-376. (Note: this book is an accurate transcription of Wills & Administrations Books A & B; the transcription from original book A is on pages 1-279 & the transcription from original book B is on pages 281-376). This book is available on microfilm at the Georgia Archives Microfilm Library, drawer 33, box 36; the original book is located at the Greene County Probate Office in Greensboro.
