Will (Testator) List, 1847-1934

© Ted O. Brooke, 2008

Hart County was created on December 7, 1853 from Elbert and Franklin counties, Georgia. The county seat is Hartwell, Georgia. There is no "General Estate Index" for this period in Hart County. Will records seem complete from 1853 and are found recorded in three "Will Books" as listed below. These books are available on microfilm at the Georgia Archives Microfilm Library as indicated and the original books may be found in the Hart County Probate Office in Hartwell, Georgia.

The following is a list of all wills recorded in Hart County, Georgia record books from 1854 to 1934, This list is compiled from a search of every page in each book and not from the original indexes which may be faulty.

The information given is (1) the testator's name. In some cases a name is found to be spelled differently within the will and, in those cases, I have shown the spelling used in the signature or as most commonly spelled. (2) The date of probate or recording of the will which indicates the date of death of the testator. In cases where a "d" in parenthesis (d) is shown after the date, that is an instance where there was no date of probate or recording given and this is the date the will was written. In cases where a date is shown in brackets, such as [1847], that is a case where there is no date associated with the will and the date of probate is estimated by the compiler. (3) the book & page where the will is recorded. The page number shown is the first page the will is found on and it may continue for several successive pages. In some cases two page numbers are shown which indicates the will was recorded twice, perhaps in "common" and "solemn" form or simply by mistake.

Will Book 1847-1894.

This book is not labeled or is indistinguishable on the spine. An original index is in the front of the book on unnumbered pages, followed by wills recorded from 1854 to 1894 on pages 1 to 352; pages 353 to 428 are blank. This original book is available at the Hart County Probate Court in Hartwell, Georgia and a microfilm copy is available at the Georgia Archives Microfilm Library in drawer 185 box 1, Morrow, Georgia.
