

LINCOLN COUNTY, GEORGIA  
 Will (Testator) List, 1796-1936  
 © Ted O. Brooke, 2010

Lincoln County was created on February 20, 1796 from Wilkes County, Georgia. The county seat is Lincolnton, Georgia. There is a “General Estate Index” for 1796 to 1899 in Lincoln County. Will records are complete from 1796 and are found recorded in the wills listed below. These books are available on microfilm at the Georgia Archives Microfilm Library as indicated and the original book may be found in the Lincoln County Probate Office in Lincolnton, Georgia.

The following is a list of all wills recorded in Lincoln County, Georgia Will Books B, C, D, E & F from 1796 to 1936. This list is compiled from a search of every page in the book and not from the original indexes which may be faulty.

The information given is (1) the testator’s name. In some cases a name is found to be spelled differently within the will and, in those cases, I have shown the spelling used in the signature or as most commonly spelled. (2) The date of probate or recording of the will which indicates the date of death of the testator. In cases where a “d” in parenthesis (d) is shown after the date, that is an instance where there was no date of probate or recording given and this is the date the will was written. In cases where a date is shown in parenthesis, such as (1909), that is a case where there is no date associated with the will and the date of probate is estimated by the compiler.

(3) the page where the will is recorded. The page number shown is the first page the will is found on and it may continue for several successive pages. In some cases two page numbers are shown which indicates the will was recorded twice, perhaps in “common” and “solemn” form or simply by mistake.

Will Book B 1796-1808.

This book is apparently unlabeled. Noted on the inside flyleaf is “Record of Wills from 1796 to 18---” (illegible); it is titled on the microfilm header “Lincoln County Ordinary Estate Records Wills & Miscellaneous Book B or 1, 1796 to 1808”. An original index is in the front of the book on unnumbered pages, followed by wills and miscellaneous estate records from 1796 to 1808 recorded on pages 1 to 345. This original book is available at the Lincoln County Probate Court in Lincolnton, Georgia and a microfilm copy is available at the Georgia Archives Microfilm Library in drawer 71 box 13, Morrow, Georgia.
