Will (Testator) List, 1872-1927

© Ted O. Brooke, 2010

McDuffie County was created on October 18, 1870 from Columbia and Warren counties, Georgia. The county seat is Thompson, Georgia. There is no "General Estate Index" for this period in McDuffie County. Will records are complete from 1870 and are found recorded in "Will Book A" as listed below. This book is available on microfilm at the Georgia Archives Microfilm Library in drawer 119, box 6 and the original book is found in the McDuffie County Probate Office in Thompson, Georgia.

The following is a list of all wills recorded in McDuffie County, Georgia record book A from 1872 to 1927. This list is compiled from a search of every page and not from the original indexes which may be faulty.

The information given is (1) the testator's name. In some cases a name is found to be spelled differently within the will and, in those cases, I have shown the spelling used in the signature or as most commonly spelled. (2) The date of probate or recording of the will which indicates the date of death of the testator. In cases where a "d" in parenthesis (d) is shown after the date, that is an instance where there was no date of probate or recording given and this is the date the will was written. In cases where a date is shown in brackets, such as [1847], that is a case where there is no date associated with the will and the date of probate is estimated by the compiler. (3) the page where the will is recorded. The page number shown is the first page the will is found on and it may continue for several successive pages. In some cases two page numbers are shown which indicates the will was recorded twice, perhaps in "common" and "solemn" form or simply by mistake.

Will Book A 1872-1927.

This book is labeled "Will Book A McDuffie County" on the spine. An original index is in the front of the book on unnumbered pages, followed by wills recorded on pages 1 to 255; pages 256 to 461 are blank. This original book is available at the McDuffie County Probate Court in Thompson, Georgia and a microfilm copy is available at the Georgia Archives Microfilm Library in drawer 119 box 6, Morrow, Georgia.
