

OGLETHORPE COUNTY, GEORGIA

Will (Testator) List, 1793-1979

© Ted O. Brooke, 2009

Oglethorpe County was created December 19, 1793 from Wilkes county; the county seat is Lexington, Georgia. Oglethorpe County will records are extant from 1793; the original records are available in the Oglethorpe County Probate office in Lexington and microfilm of books A through E are available at the Georgia Archives in Morrow and elsewhere. There is no general index to Oglethorpe County estates for this time period and the indexes in the original individual books are possibly faulty. The following is a list of all wills recorded in Oglethorpe County, Georgia record books from 1793 to 1979. This list is compiled from a search of every page in each book and not from the original indexes.

The information given is (1) the testator's name. In some cases a name is found to be spelled differently within the will and, in those cases, I have shown the spelling used in the signature or as most commonly spelled. (2) the date of probate or recording of the will which indicates the date of death of the testator. In cases where a "d" in parenthesis (d) is shown after the date, that is an instance where there was no date of probate or recording given and this is the date the will was written. In cases where a date is shown in parenthesis, such as (1889), that is a case where there is no date associated with the will and the date of probate is estimated by the compiler. (3) the book & page where the will is recorded. The page number shown is the first page the will is found on and it may continue for several successive pages. In some cases two page numbers are shown which indicates the will was recorded twice, perhaps in "common" and "solemn" form or simply by mistake. Where an alpha-suffix, such as "25a" is shown, this indicates a double page where one is numbered and the accompanying page is not.

There is a book titled "Wills 1869-1873" at the Georgia Archives Microfilm Library (drawer 45, box 45) which, despite its title, contains no wills.

Also see Fred W. McRee, Jr., *Oglethorpe County, Georgia Abstracts of Wills 1794-1903* (Lexington, GA: the author, 2002).

Will Book A, 1793-1807. This book is labeled "Will Book A 1793-1807" on the spine. An original index is in the back of the book on unnumbered pages, preceded by recorded wills on pages 5-176. This book is available on microfilm at the Georgia Archives Microfilm Library (drawer 46, box 10) and elsewhere and the original book is located at the Oglethorpe County Probate Office in Lexington.
